## **The Last Chapter (The Cartel, Book 3)**

It was, however, a very long and detailed read, a mixture of the more relevant and the less relevant, and a non-academic work which means it needs to be taken with a grain of salt, at least until reviewed by people with more of an academic background in the subject than I. This is always understood when the nasal or spirant mutation is named, and there is no need to particularize except in case of irregularity.

## **The Last Chapter (The Cartel, Book 3)**

It was, however, a very long and detailed read, a mixture of the more relevant and the less relevant, and a non-academic work which means it needs to be taken with a grain of salt, at least until reviewed by people with more of an academic background in the subject than I. This is always understood when the nasal or spirant mutation is named, and there is no need to particularize except in case of irregularity.
