Impact

If our conduct is simple, we remain free of them We can quietly follow our predilections as long as we are content and make not demands on people.

Letters From Elsewhere

When the organization is best served by a mechanistic high degree of direction then the metaphor of conductor is appropriate in that the followers, like the members of a symphony go about their tasks in a very prescribed standard manner with all followers doing exactly what the conductor requests. Summary The transition from silent to synchronized sound film was one of the most dramatic transformations in cinema's history, as it radically changed the technology, practices, and aesthetics of filmmaking within a few short years.
