Todo ser humano pertenece desde su nacimiento al sexo masculino o al femenino. In clinical settings the increase in dietary fibre intake in IBS patients has been found to increase abdominal pain, bloating and abdominal distension. That is a beautiful thing. Shanin traveled widely throughout the USSR and its successor states. Clearly, in at least some areas, people are able to learn an awful lot on the basis of largely positive data, and while this of course does nothing to show that language is one of those areas, it does indicate that the Unlearning problem argument by itself is no argument for linguistic nativism at all, let alone for the Chomskyan UG-based version of that position.
