Interior Design Of The Living Room

A great sifting will happen in the halls of congress. Consistent with ideas around local ownership and context-specificity, this then requires the reinforcement - rather than replacement - of national and local systems, and investment in local capacities UN, In particular, it stresses the need for humanitarian and development actors to overcome their long-standing attitudinal, institutional and funding divides UNOCHA, Although these are commendable developments, whether resilience can really lead to sustained positive change on the ground remains to be seen.
