Accordingly, the book is not intended for the Heidegger specialist, but for intelligent men and women of good will, philosophers and nonphilosophers, who, toward the end of our troubled century, are legitimately concerned by the link between philosophy, or philosophers, whose craft is allegedly

indispensable for the good life, and the outstanding illustration of evil in our time. When you spend that much time around a single person, who has grown up in a very different way than you have, you're going to have conflicts no matter what, and sometimes those differences aren't easy to resolve.
