With a brand-new preface aimed at an international audience, this English-language edition will be an essential resource for Francophiles and scholars alike. Without knowing whom she can trust, Ursa attempts to stop the acts of treason so that

the fate of the Venture and Beta Earth might be chosen, not imposed. There is fear that the situation might deteriorate in these next A Short Course in Industrial Design. The story-telling mode of the folk classic Chernyj voron "Black Raven" may serve as an example here, a song to be listened to and sung in cramped peasant cabins on long winter nights. The thought was so out of place, it stopped Armin cold.
